Dear John,

Re: Peugeot Preferred Panel Repairer Appointment

As you would be aware, Peugeot Automobiles Australia, through the services of PPG Industries Australia and Repairer NETworks has commenced with the implementation of the Peugeot Preferred Panel Repairer Program. The objective of this program is to facilitate a network of Approved Panel repairers that have a commitment to outstanding customer care and high levels of product expertise that will deliver quality panel and paint repairs commensurate with the Peugeot marque.

Peugeot Automobiles Australia would like to thank you for your application in order for your business to become a part of the Peugeot Preferred Panel Repairer Network, we appreciate the time and effort involved in submitting your application.

After due process and consideration, Peugeot Automobiles Australia, PPG Industries Australia and Repairer NETworks would like to congratulate you on having been officially appointed as an approved Peugeot Preferred Panel Repairer.

We look forward to working with your business over the years in further developing the Peugeot Preferred Panel Repairer Program to ensure the delivery of benchmark vehicle repairs for our valued Peugeot customers, whilst forging a strong business relationship that will benefit all parties concerned.

Yours Faithfully

Michael Carey
